

PROPOSED NEW SECTION 9.0 TO THE Lunenburg Sewer Bylaw:

9.0 Regulation Changes

The Sewer Commission will establish a draft of proposed changes during regular, properly posted open meetings. Once there is consensus on the proposed changes, a formal hearing will be scheduled and will take place over 2 regularly scheduled meetings. Both hearings will be televised. A notice of the hearing will be put in a local newspaper at least 10 business days prior to the hearing dates. At the discretion of the Sewer Commission, the hearing may be continued to the next consecutive open, regularly scheduled meeting. Once the hearing is closed, the final changes will be drafted and voted on. The proposed and approved changes will be posted on the Commission's Town website.
